## ***Air Navigation Regulation 49***

We have been directed by Department of Transport and Regional Services to implement new directions with regard to security.

1. We must obtain a statement (**on your Company letterhead**) signed by a representative of our regular customers confirming that they are the owner or originator of cargo presented for carriage and that the cargo is prepared and handled securely. The statement must include the words:  
***“As a representative of....., I confirm that we are the owner or originator of cargo we present for carriage and confirm that the cargo is prepared and handled in a manner which will not compromise it’s security standing.”***
2. We must verify the identity of the Regular Customer’s representative referred to in 1 above, from a ***valid form of identification*** and record the details. We suggest that you supply us with a copy of your current Driver’s Licence.

We ask that you complete a statement (on your letterhead) and return to us via Email or Fax

We thank you for your co-operation.

Should you require clarification, please do not hesitate to contact myself

Thanks and Best Regards
